Assalam o Alakum, my name is _____ (and this is _____). We work for the Afghan Center for Socioeconomic and Opinion Research (ACSOR), a research organization working in Afghanistan. We are studying community-based schools, also called CBS, in [BAMIYAN/DAYKUNDI/GHOR/HERAT/KAPISA/PARWAN] Province. We understand that [CARE/CRS] has established a community-based school around Asad/Sunbula 1393 and that you teach at this school. We do not work for [CARE/CRS], but do some work in partnership with them. Related to this, we would like to interview you to learn more about your experience and more generally, education in this village. We would like to speak to you now and again in Asad/Sunbula 1395. Please understand that your responses to this survey will have no effect on your employment.

Your participation may help us understand the process of delivering better education services in [BAMIYAN/DAYKUNDI/GHOR/HERAT/KAPISA/PARWAN] province. We very much appreciate your participation. Your participation is purely voluntary; you are being very generous with your time. The survey will take approximately 30 minutes.
